AMEND Senate Bill No. 2686

House Bill No. 2681*

by deleting the following language:

No health care plan required to be established in this state through an exchange pursuant to federal health care reform legislation enacted by the 111th Congress shall offer coverage for abortion services.

and by substituting instead the following:

No health care plan required to be established in this state through an exchange pursuant to federal health care reform legislation enacted by the 111th Congress shall offer coverage for abortion services, except that coverage may be offered for abortion services for cases when the pregnancy is the result of an act of rape or incest and for cases where a woman suffers from a physical disorder, physical injury, or physical illness, including a life-endangering physical condition caused by or arising from the pregnancy itself, that would, as certified by a physician, place the woman in danger of death unless the abortion is performed.
